**2006 SUMMER INTERNSHIPS AND RESEARCH
APPRENTICESHIPS AVAILABLE**

A limited number of summer intern (college level) and research apprentices (high school level) positions will be available with the U.S. Department of Agriculture, Agricultural Research Service, Western Regional Research Center in Albany, CA (located 15 miles from San Francisco). The Western Regional Research Center conducts mission-oriented research to enhance the healthfulness of foods; to develop new food and industrial products from renewable resources; and to protect and enhance the quality of the environment.

Positions to be filled include Biological Science Technicians, Physical Science Technicians, and Engineering Technicians at grades GS-1 through GS-5 depending upon qualifications (education and experience). Salary range: \$10.08 to \$15.53 per hour. Positions are temporary for 2 to 3 months. Citizenship Restrictions Apply. Applicant must be at least 16 years of age. Additional summer positions may be available at our Davis, CA and Reno, NV work sites.

To apply:

Send cover letter and resume to: studentjobs@pw.usda.gov

Indicate worksite(s) (Albany, CA; Davis, CA; Reno, NV) you are interested in.

Details of the position, salary, duties and responsibilities will be provided during interview.

Candidates selected will be required to submit an application, official transcripts, and proof of enrollment.

Positions are open until filled.

For more information, contact Human Resources (510) 559-6090.
